CONTACT

Email: matheusmtt2323@gmail.com
Phones: (11) 93945-9423; (11) 99403-4389

PROFILE

I started taking .NET development courses. I met people and made connections, created websites and solved bugs through these group connections. I have been working with programming for 2 years and I am very grateful to God for the difficulties I went through, they made me who I am.

SCHOOL

Udemy Complete Development Course (100h completed)

Generation Technical course in analysis and development of web systems in partnership with microsoft (445h completed)

UniFavip (conclusion in Dec. 2023) Information technology management.
(Due to my performance and being able to study more than 4 subjects per semester, the new graduation date is 12/2023)

MY WORKS

I currently work at Mercado Car: budgeting for parts and the rest of the time I create websites, fix bugs, deploy and improve websites in discord and telegram groups
2020/2021 – Young administrative apprentice
